1. The Stock is an investment falling within Part II of the First Schedule to the Trustee Investments Act 1961. Application has been made to the Council of The Stock Exchange for the Stock to be admitted to the Official List.
2. The whole of the Stock has been issued to the Bank of England on 12th October 1983 at a price of £91.50 per cent. The amount paid on issue was £30.00 per cent. The amount payable on 7th November 1983 will be £30.00 per cent and the amount payable on 12th December 1983 will be £31.50 per cent.
3. The principal of and interest on the Stock will be a charge on the National Loans Fund, with recourse to the Consolidated Fund of the United Kingdom.
4. The Stock will be registered at the Bank of England or at the Bank of Ireland, Belfast, and will be transferable, in multiples of one penny, by instrument in writing in accordance with the Stock Transfer Act 1963. Transfers will be free of stamp duty.
5. If not previously redeemed under the provisions of paragraph 14, the Stock will be repaid on 16th April 2020. The value of the principal on repayment will be related, subject to the terms of this notice, to the movement, during the life of the Stock, of the United Kingdom General Index of Retail Prices maintained by the Department of Employment, or any Index which may replace that Index for the purposes of this notice, such movement being indicated by the Index figure issued monthly and subsequently published in the London, Edinburgh and Belfast Gazettes.
6. For the purposes of this notice, the Index figure applicable to any month will be the Index figure issued seven months prior to the relevant month and relating to the month before that prior month; "month" means calendar month; and the Index ratio applicable to any month will be equal to the Index figure applicable to that month divided by the Index figure applicable to October 1983.
7. The amount due on repayment, per £100 nominal of Stock, will be £100 multiplied by the Index ratio applicable to the month in which repayment takes place. This amount, expressed in pounds sterling to four places of decimals rounded to the nearest figure below, will be announced by the Bank of England not later than the business day immediately preceding the date of the penultimate interest payment.
8. Interest will be payable half-yearly on 16th April and 16th October. Income tax will be deducted from payments of more than £5 per annum. Interest warrants will be transmitted by post.
9. The first interest payment will be made on 16th April 1984 at the rate of £1.1138 per £100 nominal of Stock.
10. Each subsequent half-yearly interest payment will be at a rate, per £100 nominal of Stock, of £1.25 multiplied by the Index ratio applicable to the month in which the payment falls due.
11. The rate of interest for each interest payment other than the first, expressed as a percentage in pounds sterling to four places of decimals rounded to the nearest figure below, will be announced by the Bank of England not later than the business day immediately preceding the date of the previous interest payment.

12. If the Index is revised to a new base after the Stock is issued, it will be necessary, for the purposes of the preceding paragraphs, to calculate and use a notional Index figure in substitution for the Index figure applicable to the month in which repayment takes place and/or an interest payment falls due ("the month of payment"). This notional Index figure will be calculated by multiplying the actual Index figure applicable to the month of payment by the Index figure on the old base for the month on which the revised Index is based and dividing the product by the new base figure for the same month. This procedure will be used for each occasion on which a revision is made during the life of the Stock.

13. If the Index is not published for a month for which it is relevant for the purposes of this notice, the Bank of England, after appropriate consultation with the relevant Government Department, will publish a substitute Index figure which shall be an estimate of the Index figure which would have been applicable to the month of payment, and such substitute Index figure shall be used for all purposes for which the actual Index figure would have been relevant. The calculation by the Bank of England of the amounts of principal and/or interest payable on the basis of a substitute Index figure shall be conclusive and binding upon all stockholders. No subsequent adjustment to such amounts will be made in the event of subsequent publication of the Index figure which would have been applicable to the month of payment.

14. If any change should be made to the coverage or the basic calculation of the Index which, in the opinion of the Bank of England, constitutes a fundamental change in the Index which would be materially detrimental to the interests of stockholders, Her Majesty's Treasury will publish a notice in the London, Edinburgh and Belfast Gazettes immediately following the announcement by the relevant Government Department of the change, informing stockholders and offering them the right to require Her Majesty's Treasury to redeem their stock. For the purposes of this paragraph, repayment to stockholders who exercise this right will be effected, on a date to be chosen by Her Majesty's Treasury, not later than seven months from the last month of publication of the old Index. The amount of principal due on repayment and of any interest which has accrued will be calculated on the basis of the Index ratio applicable to the month in which repayment takes place. A notice setting out the administrative arrangements will be sent to stockholders at their registered address by the Bank of England at the appropriate time.

15. Until payment in full has been made and a completed registration form submitted to the Bank of England, the Stock will be represented by letters of allotment.

16. Payment in full may be made at any time prior to 12th December 1983 but no discount will be allowed on such payment. Interest may be charged on a day-to-day basis on any overdue amount which may be accepted at a rate equal to the London Inter-Bank Offered Rate for seven day deposits in sterling ("LIBOR") plus 1 per cent per annum. Such rate will be determined by the Bank of England by reference to market quotations, on the due date for the relevant payment, for LIBOR obtained from such source or sources as the Bank of England shall consider appropriate. Default in due payment of any amount in respect of the Stock will render the allotment of such Stock liable to cancellation and any amount previously paid liable to forfeiture.

17. Letters of allotment may be split into denominations of multiples of £100 on written request received by the Bank of England, New Issues, Watling Street, London, EC4M 9AA, or by any of the Branches of the Bank of England, on any date not later than 8th December 1983. Such requests must be signed and must be accompanied by the letters of allotment (but a letter cannot be split if any instalment payment is overdue).

18. Letters of allotment must be surrendered for registration, accompanied by a completed registration form, when the final instalment is paid, unless payment in full has been made before the due date, in which case they must be surrendered for registration not later than 12th December 1983.

19. Copies of this notice may be obtained at the Bank of England, New Issues, Watling Street, London, EC4M 9AA, or at any of the Branches of the Bank of England, or at the Glasgow Agency of the Bank of England, 25 St. Vincent Place, Glasgow, G1 2EB; at the Bank of Ireland, Moyne Buildings, 1st Floor, 20 Callender Street, Belfast, BT1 5BN; at Mullens & Co., 15 Moorgate, London, EC2R 6AN; or at any office of The Stock Exchange in the United Kingdom.
