### **NOTES TO EDITORS**

The DMO financing remit for 2011-12, published alongside the Budget on 23 March 2011, included the provision for a programme of up to eight syndicated offerings to be held in 2011-12 to raise £31.6 billion. The current planning assumption is that £18.1 billion will be raised by sales of index-linked gilts and £13.5 billion by sales of long-dated conventional gilts.

The DMO also announced on 23 March 2011 its intention to implement the programme of syndicated gilt offerings in 2011-12 more evenly across the year than in 2010-11 via smaller and more regular operations than in 2010-11.

On 31 March 2011 the DMO announced plans to hold two syndicated offerings in the period April-June 2011 (of an index-linked gilt maturing in the 20-25 year area in the second half of May, and of a long-dated conventional gilt in the second half of June - subject to confirmation depending on market conditions nearer the time).

On 12 May 2011 the DMO announced that the bond to be sold at the next syndicated offering will be a new index-linked gilt maturing on 22 March 2034 and that the offering is expected to be held in the week commencing 23 May 2011.

On 13 May 2011 the DMO announced the composition of the syndicate to sell the new gilt. The Joint Bookrunners are: B of A Merrill Lynch, Credit Suisse, HSBC Bank PLC and RBS.
