14. Her Majesty's Treasury reserve the right to reject any tender or part of any tender and may therefore allot to tenderers less than the full amount of the Stock. Tenders will be ranked in descending order of price and allotments will be made to tenderers whose tenders are at or above the lowest price at which Her Majesty's Treasury decide that any tender should be accepted (the allotment price), which will be not less than the minimum tender price. All allotments will be made at the allotment price; tenders which are accepted and which are made at prices above the allotment price will be allotted in full; tenders made at the allotment price may be allotted in full or in part only. Any balance of Stock not allotted to tenderers will be allotted at the allotment price to the Governor and Company of the Bank of England, Issue Department.

15. Letters of allotment in respect of Stock allotted, being the only form in which the Stock may be transferred prior to registration, will be despatched by post at the risk of the tenderer, but the despatch of any letter of allotment, and any refund of the balance of the amount paid as deposit, may at the discretion of the Bank of England be withheld until the tenderer's cheque has been paid. In the event of such withholding, the tenderer will be notified by letter by the Bank of England of the acceptance of his tender and of the amount of Stock allocated to him, subject in each case to payment of his cheque, but such notification will confer no right on the tenderer to transfer the Stock so allocated.

16. No allotment will be made for a less amount than £100 Stock. In the event of partial allotment, the balance of the amount paid as deposit will, when refunded, be remitted by cheque despatched by post at the risk of the tenderer; if no allotment is made the amount paid as deposit will be returned likewise. Payment in full may be made at any time after allotment but no discount will be allowed on such payment. Interest may be charged on a day-to-day basis on any overdue amount which may be accepted at a rate equal to the London Inter-Bank Offered Rate for seven day deposits in sterling ("LIBOR") plus 1 per cent per annum. Such rate will be determined by the Bank of England by reference to market quotations, on the due date for the relevant payment, for LIBOR obtained from such source or sources as the Bank of England shall consider appropriate. Default in due payment of any amount in respect of the Stock will render the allotment of such Stock liable to cancellation and any amount previously paid liable to forfeiture.

17. Letters of allotment may be split into denominations of multiples of £100 on written request received by the Bank of England, New Issues, Watling Street, London, EC4M 9AA on any date not later than 9th January 1986. Such requests must be signed and must be accompanied by the letters of allotment.

18.
