PRESS NOTICE

SYNDICATED LAUNCH OF A NEW CONVENTIONAL GILT MATURING ON 22 OCTOBER 2073 IN THE WEEK COMMENCING 7 FEBRUARY 2022

The United Kingdom Debt Management Office (DMO) announces that the seventh and final transaction in the 2021-22 syndication programme will be the launch of a new conventional gilt maturing on 22 October 2073. The new gilt will have the ISIN code GB00BLBDX619 and the SEDOL code B-LBD-X61; it will pay a short first coupon on 22 April 2022.

The transaction is planned to take place in the week commencing 7 February 2022, subject to demand and market conditions. Further details of this transaction, including the appointment of the syndicate and the coupon on the new gilt, will be announced in due course.

Notes for editors

On 30 November 2021, the DMO announced that it planned to schedule a syndication of an existing or new long conventional gilt maturing in the 50-year area in the week commencing 7 February 2022 (subject to demand and market conditions).

Currently, planned gilt sales via syndications (including green gilt sales) in 2021-22 are £43.1 billion and sales via syndications to-date are £39.0 billion. The results of the six syndications held in 2021-22 to date are summarised in the table below.
