

CANCELLATION OF THE GILT MINI-TENDER SCHEDULED FOR THE WEEK COMMENCING 2 AUGUST 2010

The DMO is today announcing that the gilt mini-tender previously scheduled for the week commencing 2 August 2010 is being cancelled.

Paragraph 5.19 of the DMO's remit provides that the DMO may add mini-tenders to the calendar with at least four week's notice or remove mini-tenders from the calendar with a minimum of one week's notice.

The DMO previously announced on 22 June 2010, at the time of the remit revision coinciding with the June Budget, that up to three mini-tenders could be removed from the programme in 2010-11 and the cancellation of a tender previously scheduled for the week commencing 5 July 2010 was announced on that date.
