|--|--------------|--------------|
| Highest Accepted   | £100.321     | 4.031%       |
| Non-competitive allotment price<br>(i.e. the rounded average accepted price) | £100.293     | 4.039%       |
| Lowest Accepted  | £100.276     | 4.044%       |
| Tail in basis points   |              | 0.5*         |

- The total amounts allotted and bids received were as follows:

|   |                           |
|---|---------------------------|
| Amount allotted to competitive bids     | £3,187.497 million        |
| Amount allotted to non-competitive bids |                           |
| Gilt-edged market makers                | £562.500 million          |
| Others                                  | £0.003 million            |
| Total                                   | <u>£3,750.000</u> million |
| Total bids received                     | <u>£9,206.500</u> million |
| Times covered                           | 2.46 times                |

- An additional amount of the Stock totalling up to £937.500 million will be made available to successful bidders for purchase at the non-competitive allotment price, in accordance with the terms of the Information Memorandum.

- Stock allotted to members of CREST will be credited to their accounts by member-to-member deliveries on the relevant settlement date.

\*Tail is calculated as the yield at the lowest accepted price less the yield at the average accepted price (using unrounded yields). This figure is then multiplied by 100 to convert it into basis points.
